Mi-Fi
E5330

Getting started

1. Press & hold the power button of the Mi-Fi until all the indicators light up.
2. Turn on Wi-Fi on your laptop or mobile phone.
3. Select your Mi-Fi's SSID & click on *connect*.
The SSID is printed inside the Mi-Fi's battery cover.
4. Enter the Wi-Fi key.
5. Open a browser & enter 192.168.8.1.
You will be redirected to your Mi-Fi's admin page. The default user name and password is admin.
6. Under settings, ensure that all the profile settings (profile name, user name, password, APN) are set to *my.t*.
7. You're connected!

Sending a text

You can send and receive text messages from your Mi-Fi's admin page.

1. Enter 192.168.8.1 in your browser.
2. On the admin page, select *SMS*.

Ensure you have enough credit on your SIM to send text messages. When you receive a message, the envelope on the display on your Mi-Fi will light up.

Top-up your prepay SIM

Choose the most convenient option to top up your prepay SIM:

- E-Voucher
- Bank ATM
- Recharge by SMS for SBM and MCB customers
