Key benefits

• Mi-Fi

Work anywhere, anytime with Mi-Fi

Mi-Fi allows you to stay connected anywhere, anytime. A prepay premium SIM card is included in the Mi-Fi kit. Top-Up the SIM card and surf for as long as you wish outside your business.

• Up to 50 GB mailbox

Communicate with a professional mailbox

- Manage your business communications with a personalised mailbox (yourname@yourbusiness.com).
- Stay connected by accessing your emails via any device: laptop, tablet or your smartphone.
- Stay protected from spam with an always up-to-date email protection.

• 1 TB cloud storage

Secured cloud storage services

Save all your important documents, pictures and contacts in the cloud and securely access them on-the-go.

• TV bouquet

Entertain your customers with our TV solution

Entertain your customers by broadcasting live football matches, latest music releases, local & world news during their waiting time.
